

# SOUTH AFRICA COLLECTORS SOCIETY

## Auction 46

To be held at the Strawberry Bank Hotel, Main Rd, Meriden, Coventry CV7 7NF  
on the 5<sup>th</sup> November 2017 at 1.30pm.

The material to be offered is from various Vendors, but in particular there is some pre-Union material from the Graham Chard collection, a quantity of books from the late Dr John Ahmad as well as material from the collection formed by the late Jim Dixon. It is particularly strong in pre-Union material, as the Society will be playing host to many members of the various Study Groups, specialising in pre-Union South Africa.

The lots marked "P" in the "Lot No" column are illustrated. If any further information is required, on these or any lots, please apply to the Auctioneer, tel 01297 552482 - email nicholasarrow@btinternet.com. The final column is an indication as to where these lots can be inspected during the Society's Convention at the Strawberry Bank Hotel, Meriden, 4/5 November 2017. Personal inspection can be arranged before that on application to the Auctioneer.
